

ASSIGNMENT

This assignment is optional.

1. Submit a 1½ page written report of the vegetable garden you prepared and planted in the Set Task. Briefly note your successes and failures (if any!) and also note anything you might change in the future.

2. Design a decorative edible garden, following the principles described in Chapter 2, *Growing and Using Herbs and Vegetables*. You may choose any style you wish – formal, informal, permaculture, etc.

Submit a labelled sketch of your design. Note, we are *not* testing your drawing skills, we are interested in your ideas!

If you want to opt to submit your assignment and get them marked fill in the form below with a payment of \$50.00 (GST inc) to:
