## **Occupational Psychology- Promote a positive workplace and encourage happy employees and a more productive working environment.**

The psychology of a person in a work situation is often quite different to what it might be outside of the workplace.

Learn to encourage a positive workplace, encourage your employees to happy and more productive. Sounds like the ideal scenario? The new ebook "Occupational Psychology" by staff of ACS Distance Education helps you understand occupational psychology and apply it in the workplace.

Aimed at managers, human resources managers, leaders, small business owners and anyone who wants to understand psychology in the workplace, this ebook covers the following topics:

- Understanding Occupational Psychology
- Recruitment
- Interviews and Selection
- Training of Staff
- Employee Wellbeing
- Maintaining Staff Morale and Motivation
- Other Applications

A big part of managing any organisation successfully is to manage the people who work in that organisation. The way in which people function will depend just as much on personalities, attitudes and relationships, as it does upon not only the abilities that each individual has.
