

CONDITIONS OF ENROLMENT

ACS Distance Education operates a refund policy which is fair and equitable.

*Notification of withdrawal from a course must be received in writing within 14 days of enrolment to qualify for a refund (less postage, handling and administration costs - minimum of \$100 per module, more if overseas).

*Deferments and Extensions: You may apply to the office manager in writing for a deferment or extension.

*Disclaimer: Every attempt is made to ensure that information from the school is accurate, and that the student has attained the competencies taught in a course, at the point of their assessment. Beyond this point, the graduate is responsible to maintain their acquired competencies, and apply acquired knowledge and skills in a way which is appropriate to the unique characteristics of each application. This releases the school and its staff from any liability, action and claims of whatever nature, whether directions given during the course are followed or not.

*Courses, course notes and materials are not to be sold, loaned, copied, or used in any way outside of the pursuit of studying the course by the person who is enrolled in the course.

*ACS newsletters are used to communicate important developments to ACS students. Therefore it is a condition of enrolment that students are added to the newsletter mailing list.
