ACS Releases New Ebook- Root Vegetables

ACS Distance Education have recently written and released a new ebook- Root Vegetables.

Root vegetables from potatoes to taro and yams, are one of the most important food crops in many parts of the world. This book may surprise you as it explores not only the root vegetables you are probably familiar with, but also ones you might not have even encountered before.

This is a valuable and unique reference for anyone with an interest in vegetable growing, from the commercial grower and serious horticulture student to the home gardener seeking to try things in their home vegetable garden that they had not previously tried.

This ebook covers the following chapters:

Chapter 1 INTRODUCTION

Chapter 2 POTATOES

Chapter 3 CARROTS AND RELATED ROOT VEGETABLES

Chapter 4 TURNIPS AND RELATIVES

Chapter 5 BEETS

Chapter 6 OTHER ROOT VEGETABLES

For more information on the Root Vegetables Ebook or to download, please visit our website:
