## Landscaping and Gardening in the Shade eBook – OUT NOW

**Imagine stepping outside into your back garden and into a beautiful tranquil shaded garden. It is possible- learn the techniques, design the garden.**

Learn how to use shade to your advantage with our new ebook- Landscaping and Gardening in the Shade. This ebook will guide you through everything that you need to know about designing a shaded garden.

Gain an understanding of the kinds of plants that you could use in a shaded garden and how best to care for them, provide sufficient nourishment and proper maintenance. Why not also consider the building structures in the garden that will create shade, whether wanted or not, having a shed, pergola or patio will create a shaded area in the garden.

Aimed at home gardening enthusiasts, landscape designers and architects, this ebook will provide everything that you need to know about using shade in the garden.

With 120 pages, the 'Landscaping and Gardening in the Shade' ebook is wonderfully illustrated and will give you great direction when designing a garden or landscaping.

Available now from our new-look bookshop, download a sample or the whole book today:
