## Home Grown Magazine hits news stands

HOME GROWN magazine- featuring sustainable lifestyle choices- gardening, preserving, cooking and handy tips and hints for living sustainably. The inaugural issue of the HOME GROWN magazine hit the newsagent stands last week.

HOME GROWN magazine takes readers on a journey of healthy living and lifestyle choices, from the garden to the table. HOME GROWN magazine aims to nurture the readers' knowledge of the fundamentals of creating, growing, making and providing greener and healthier options.

The first issue of HOME GROWN magazine has articles featuring such topics as Gardening, Environment, Recipes and Poultry.

Hayley Jagger, with many years experience in the publishing industry, is the editor and publisher of HOME GROWN magazine and John Mason, with over 40 years experience in the horticulture industry is the Gardening Editor for the magazine.

HOME GROWN is in newsagents now. For a sneak peak of the first issue, please visit the HOME GROWN website:
