## Growing and Using Mushrooms

ISBN: 978-0-9943737-6-2

Pages: 93

Images: 46

The much anticipated Growing and Using Mushrooms ebook is out now and available and for download from the ACS online Bookshop. This ebook has been written by John Mason and the staff of ACS Distance Education.

The Growing and Using Mushrooms ebook is aimed at readers who would like to be either home or professional mushroom growers.

Mushrooms are highly prized for cooking and eating are not plants, but a fungus. This book touches on other genera and species, but is mostly about "*Agaricus bisporus*". Despite this focus though, learning to grow and use one species of mushroom is an excellent foundation for growing and using other genera and species.

In the style of many of our ebooks, this ebook is a comprehensive guide to knowing about, growing and using or commercially selling mushrooms. If you have ever considered growing mushrooms, reading this ebook is great place to start. Some topics covered in this ebook include:

- The Nature and Scope of Mushroom Production
- Spawn Production
- Compost Production
- Structures and Environmental Control
- Growing Methods
- Mushroom Health- Pest and Disease control
- Harvest, Processing and Storage
- Using Mushrooms

This ebook is now available for purchase for \$34.95 including GST from our online bookshop: <http://www.acsbookshop.com/product-growing-using-mushrooms-pdf-ebook-6011.aspx>

If you would like a review copy of this ebook, please contact [sarah@acs.edu.au](mailto:sarah@acs.edu.au) .
